Northern Illinois Gas Company; Notice of Petition for Rate Approval

July 26, 1996.

Take notice that on July 15, 1996, Northern Illinois Gas Company, (NI-Gas), filed pursuant to section 284.224 and 284.123(b)(2) of the Commission's regulations, a petition for rate approval requesting that the Commission approve the rates to be charged by NI-Gas in providing services under the blanket certificate issued to NI-Gas in Docket No. CP92-481-000.

NI-Gas proposes (a) to charge firm storage customers a two-part reservation rate, with a maximum monthly deliverability charge of \$1.0125 per MMBtu and a maximum monthly capacity charge of \$0.0225 per MMBtu, (b) to charge interruptible storage customers a maximum daily rate of \$0.0665 per MMBtu, (c) to charge interruptible transportation customers a maximum rate of \$0.0805 per MMBtu, and (d) to make various non-rate changes in its Operating Statement. NI-Gas also will continue to charge firm storage customers a fuel rate, based on the cost of gas.

NI-Gas states that it is an intrastate natural gas distribution utility that provides interstate interruptible transportation and storage services and interstate firm storage service on a non-discriminatory basis, pursuant to section 284.224 of the Commission's regulations. NI-Gas owns and operates a natural gas transmission, underground (aquifer) storage and distribution system network. NI-Gas proposes an effective date of July 15, 1996.

Pursuant to section 284.123(b)(2)(ii), if the Commission does not act within 150 days of the filing date, the rate will be deemed to be fair and equitable and not in excess of an amount which interstate pipelines would be permitted to charge for similar transportation service. The Commission may, prior to the expiration of the 150-day period, extend the time for action or institute a proceeding to afford parties an opportunity for written comments and for the oral presentation of views, data, and arguments.

Any person desiring to participate in this rate proceeding must file a motion to intervene in accordance with sections

385.211 and 385.214 of the Commission's Rules of Practice and Procedures. All motions must be filed with the Secretary of the Commission on or before August 12, 1996. The petition for rate approval is on file with the Commission and is available for public inspection.
